Manuscript title: _____

I/we certify that this manuscript is the outcome of original work without fabrication, fraud, or plagiarism and the work has been conducted after obtaining the required institutional ethical clearance. I/we certify that I/we have participated sufficiently in the intellectual content, conception or design of this work; or the acquisition, analysis or interpretation of the data (when applicable); as well as the writing of the manuscript; and take public responsibility for it and have agreed to have my/our name listed as a contributor. All persons who have made substantial contributions but who are not contributors are named in the Acknowledgment and have given me/us their written permission to be named. If I/we do not include an Acknowledgment, it means that I/we have not received substantial contribution from non-contributors and no contributor has been omitted.

I/we believe the manuscript represents valid work. Neither this manuscript nor any other manuscript with substantially similar content under my/our authorship has been published or is being considered for publication elsewhere, except as described in the covering letter. I/we certify that all the data collected during the study has been presented in this manuscript and that no data from the study has been or will be published separately. I/we attest that, if requested by the editors, I/we will provide the required data/information and will cooperate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their assignees. Financial interests, either direct or indirect, that exist or may be perceived to exist for individual contributors in connection with the content of this paper have been disclosed in the covering letter. All sources of external support have been mentioned in the covering letter.

I/We hereby transfer, assign, or otherwise convey all copyright ownership, including any and all rights incidental thereto, exclusively to the National Journal of Physiology, in the event that such work is published by the National Journal of Physiology. The National Journal of Physiology shall own the work, including 1) the copyright, 2) the right to grant permission to republish the article in whole or in part, with or without a fee, 3) the right to produce preprints or reprints and translate into languages other than English for sale or free distribution, and 4) the right to republish the work in a collection of articles in any other mechanical or electronic format.

We give the right to make necessary changes according to the request of the journal, correspond on our behalf, and to act as the guarantor for the manuscript to the corresponding author.

	Author's name	Signature	Date signed
